## **ADMINISTRATIVE PERSONNEL**

### **Office of Chairman**

Chairman/Chief Executive Officer	-	Jeff Jones
Deputy Chairman	-	Glenn Proebstl

### **Management Team**

Head of Operations Merchandise	-	Graham McIntyre
Head of Operations Events & Social	-	Sam Villinger
Head of Operations IT & Telecommunications	-	Bernie Carroll
Head of Operations Casey Cardinia	-	Neil Ashworth
Head of Operations Facilities & Licensing	-	Geoff Shaw
Head of Operations HR – OH&S	-	Mario Ring
Head of Operations Finance	-	Frank Witting
Head of Operations Communications	-	Jade Turnbull

### **Umpiring Department**

Head of Operations: Umpiring	-	Vacant
Field Umpiring Coach	-	Peter Marshall
Field Umpiring Development Coach	-	Ivan Walters
Umpiring Transition Coach	-	Brett Gent
Boundary Umpiring Coach	-	David Golby
Boundary Umpiring Development Coach	-	Shaun Penny
Boundary Umpiring Development Coach	-	Vacant
Goal Umpiring Coach	-	Jeff Parker
Goal Umpiring Development Coach	-	Steve Voss
Junior Umpiring Coach	-	Phil Kloot
Junior Umpiring Development Coach	-	Matthew Guess
Training Supervisor Seaford	-	Greg Russo
Training Supervisor Casey Cardinia	-	Mike Jaremzcuk
Training Supervisor Casey Cardinia	-	Bernie Carroll
Umpiring Department Appointments Manager	-	Kate Rowe

## Board Meeting Attendance

Chairman/Chief Executive Officer	Jeff Jones	10/12 Meetings
Deputy Chairman	Glenn Proebstl	06/12 Meetings
Head of Operations: Merchandise	Graham McIntyre	09/12 Meetings
Head of Operations: Events & Social	Sam Villinger	05/12 Meetings
Head of Operations: IT & Telecommunications	Bernie Carroll	10/12 Meetings
Head of Operations: Casey Cardinia	Neil Ashworth	11/12 Meetings
Head of Operations: Facilities & Licensing	Geoff Shaw	09/12 Meetings
Head of Operations: HR – OH&S	Mario Ring	10/12 Meetings
Head of Operations: Finance	Frank Witting	12/12 Meetings
Head of Operations: Communications	Jade Turnbull	08/08 Meetings

# Yearly Reports

## **Chairman/Chief Executive Officer: Jeff Jones**

As I look back to when we started this journey in 2009, we had an umpiring Association deeply enriched in tradition coming off a year where we celebrated our 50<sup>th</sup> anniversary in servicing football within the local community. From that year we elected a new management team and, although not too many changes were visible, the team was working in the back ground to launch a successful plan from season 2010. Lead by Geoff Shaw and Glen Proesbtl, and with the assistance of Gary Sutton and Michael Craighead, we adopted a new constitution that would allow the Association the freedom to move and adapt to the changes confronting us in the country football landscape. After a slight delay we launched our new look and colour to the football community with the backing of our corporate partner Reebok.

Along with this new on field look, we also made a change to our existing branding that incorporated all elements of what the Victorian State Home Loans-Southern Umpires Association was about in that we supplied field, boundary and goal umpires to our competitions.

Further to the change in branding we also developed a brand new look for the very successful CCUA training venue; the branding gave the members a sense of ownership within the region that was aligned to the Association.

Season 2011 was a record breaking year as our membership numbers were up by about 30% and our culture was clearly entrenched in the Association as a fun, family and friendly organisation that encouraged the development of people regardless of their culture and background. We signed a new naming rights partner in Victorian State Home Loans.

Our female umpiring numbers grew and were the highest in Victoria. To cap off an amazing year the Association was named 2011 Worksafe Victorian Country Football League Umpiring Association of the Year and I congratulate all members for being a part of our success.

We officially kicked off season 2012 back in February, which now seems so long ago, with our two training bases located at Seaford and Fountain Gate beginning pre-season training.

The odd jog around the lake or along the beach was the setting for what would turn out to be one of the biggest in the years in our 52 year history.

It was April when we officially launched this exciting season, the Association welcomed on board three brand new partnerships.

We welcomed the Transport Accident Commission and Road Safe South East as our principal and road safety partners, we also welcomed Stringer Sports Store who has made available the opportunity to all members to purchase ASICS footwear at a discount rate and we welcomed Lion Nathan and the James Boags brand to the Association.

Our green shirt participation is the largest in country Victoria with 54 new umpires this year. Our female participation has also grown to in excess of 20 for this year. With our total number of umpires reaching 301 and 45% of the group being under the age of 18 our future looks promising.

Our on field commitment to the MPNFL competition has been first class with a large number of matches having three field and three boundary umpires appointed and not just in the seniors but across the board.

We further strengthened our relationships with football clubs, leagues and controlling bodies and I would like to thank Tony Vagg and the MPNFL Board of Directors for their support during season 2012.

Once again this year the VSHL-SUA has supported and partnered a number of different organisations and fund raisers. With the money collected from fines master Brett Gent at this year's golf day we made donations to support Brest Cancer Awareness and Kids Living with Cancer. The Association also made a contribution to the Edithvale Football Club which was put towards the tribute and farewell to one of our biggest supporters, Mr Ken Lyon and we continued our sponsorship of the Rec-Link program.

In closing there are a number of people I would like to thank.

Harry Reints and Peter Ridgway at Victorian State Home Loans have given their continued support of the Association as naming rights partner with enthusiasm and commitment.

The Board of Management: Glenn P, Geoff S, Graham Mc, Mario R, Bernie C, Neil A, Sam V, Frank W, Jade T and their families as this group of people give their personal time to be a part of the management team of this Association.

#### Umpiring Department

With Peter M, Ivan W, Brett G, Travis D, Leigh S, David G, Phil Kerford, Jeff P, Steve V, Greg R, Mike J, Bernie C, Phil Kloot, Matthew G we are blessed to have such great experience and people within our umpiring leadership.

Thank you to Kate Rowe. Kate approached us at the start of the season and wanted to be involved as she was here every night due to Leighton's involvement. Kate has excelled in the role of Appointments Manager and, on behalf of everyone; I thank you for your valued contribution to the Association.

Thank you to Ray C for selling the raffle and lucky joker tickets all year.

#### Casey Cardinia Umpires

Thanks go to all the team who organise things at Max Pawsey Reserve- Neil A, Mike J, Bernie C and Phil K. Due to your hard work we have grown a viable and strong umpiring community serving the Casey Cardinia area.

Thank you to Melissa Smith, who is another parent like Kate, who wanted to be further involved in the Association. Last year Melissa was crowned the world's

greatest sewer and again this year supported our umpires and gave her time to ensure every umpire had our new partners' logos on their shirts.

Thank you to Gaye for catering and providing us with a great selection of food week in week out of the football season.

Thanks also go to Rod Young and the Family for helping out ever Wednesday Night.

To all the running umpires, I thank you for your time, effort and commitment to the Association this year and everyone should be proud of their achievements

To all the umpires' mums, dads, aunties, uncles, brothers, sisters, husbands, wives, grandmothers and grandfathers, who continued to give their dedicated commitment and support to their umpiring family members I thank you for without you our Association could not maintain its strong community profile.

I am pleased to lead such an amazing Association that steps up to the challenges every year. We have a fantastic group of people and supporters who have all worked hard to achieve our goal to be the best umpiring Association and be the leader in country football.

*Jeff Jones*

### **Deputy Chairman: Glenn Proebstl**

In 2012 the Set Penalty Trial undertaken by the VSHL-SUA became the basis for all reporting within the VCFL.

The final design of the new Life Members medallions incorporating the new VHSL-VSHL-SUA branding is close to finalisation. The delay in this process has meant that these new medallions will be rolled out during 2013.

2012 has seen the VSHL-SUA continue to grow as a direct result of initiatives introduced by the current Board since 2010. These initiatives have improved efficiency and have assisted the VSHL-SUA's move forward corporately.

I wish to thank Jeff Jones, our Chairman, and the entire board for continuing to facilitate the smooth and efficient management of the Board.

This report is my last as Deputy Chairman as work commitments preclude me from seeking another term in this role. I wish to thank all members for their support since I took on this role four years ago and further wish to thank the Board for their efforts and support.

Many Thanks.

*Glenn Proebstl*

## **Head of Operations Merchandise: Graham McIntyre**

Unfortunately the 2012 season will be remembered for the supply issues we had with our on-field apparel. From the incorrect colour yellow gear early in the year to the "Lakers" colours and large legged shorts late in the season there were many ups and downs. We have continued to communicate with Alanic in an effort to resolve these issues and look forward to more reliable supply in 2013.

We did commence the season with the much awaited Wet Weather jackets which completed the Goal Umpire on-field apparel and I must say they looked very good. Although the jacket may not have been as waterproof as some may have liked they were certainly tested during the season! A further success was the introduction of our new Hoodie and new style tracksuits which were both very well received by our members.

I would like to thank all members for diligently removing their old sponsors' logos from their uniforms and ensuring that our new sponsors TAC and Stringers were supported.

Again, thanks to a grant from the Victorian State Government Department of Sport and Recreation we have also been able to supply Mentor Uniforms free of charge to all 54 of our new "green shirt" umpires in 2012.

I would like to thank the Fountain Gate uniform team of Neil and Phil for managing their activities and sales. A very big thanks to Melissa Smith for her fine seamstress work is also in order.

I wish all members the very best for the rest of 2012 and look forward to seeing you all again in 2013.

*Graham McIntyre*

## **Head of Operations Events & Social: Sam Villinger**

Sam did not manage to supply a report but we are sure that he would endorse these remarks.

Once again we this year we ran two major social functions for the Seaford members that were well attended and enjoyed by all the members and guests who attended.

The annual Jim Voss Memorial Golf Day was a success. Congratulations go to our winners and thanks go to Frank and Geoff who helped with the organisation. Thanks also to Brett for conducting the fines session. Not only was it fun but we also raised a bit of money for the Kids with Cancer Foundation.

The Strike Bowling Night proved to be successful also with a large number attending.

This year we were also able to have a few pizza nights at Rugantino's in Frankston. We thank them for looking after us and each time we managed to get a few more there which made for good fun for all involved.

Thanks must also go to Frank Witting for his hard work behind the bar each Wednesday. He does a great job of managing the till and is well aided by the Young clan.

## **Head of Operations IT & Telecommunications: Bernie Carroll**

The SUA launched a new website in 2012 with a number of improvements to assist with the overall management of the Association and communication with members.

The site has been well received with approximately 300-350 individual views per week with hits peaking on Wednesdays and Thursdays that coincide with appointments.

For the first time Annual Membership Renewals were undertaken via the website and resulted in a streamlined and improved process for both members and the Association.

The SUA website now allows for updates without developer assistance and has social interface portals including Facebook and Twitter.

Next year additional website features to be implemented include:

- Activated Member and Public Areas of the web site
- Issue to each VSHL-SUA member of a VHSL-SUA domain email address to serve as an account gateway to on line education, documentation, resources and VHSL-SUA communication
- More frequent upgrades to website content including images, video and coaching resources

In addition a need has arisen to identify a person/s within the VHSL-SUA structure to perform the role of webmaster to be responsible for

- Posting of website content and regular updates i.e. central person to receive information from other SUA staff and members – photos, memos, videos, announcements, training notes, notices etc
- Facebook and Twitter Feeds and Update
- Maintain Home page to reflect the flow of the season
- Issuing of [.sua@gmail](mailto:.sua@gmail) emails
- Maintaining updated list of SUA members on UMAS and SUA Website Data Bases

A review of Appointment Program/Software Schedules ([www.schedula.com.au](http://www.schedula.com.au)) is being undertaken with the aim of improving email appointment availability communication. A large number of umpire and referee groups are using this application which is cloud based.

I hope that all members have found the implementation of the new website useful, meaningful and relevant. Enjoy your break and work to make 2013 our best season ever.

*Bernie Carroll*

## **Head of Operations Casey Cardinia: Neil Ashworth**

This is the second year for the Casey Cardinia Umpires to be represented on the Southern Umpires Association Board with two members from Fountain Gate. Again we have had great numbers at training, especially with boundary and goal umpires. We have had three female boundary umpires training for most of the year who trained hard and were rewarded with finals games.

Again thank you to Alanic for supplying our Casey Cardinia training uniform, it was great to see so many members wearing the gear on the training track.

Congratulations to Mitch Smith for winning the Golden Whistle and for being invited to training with Victorian Football League next year. This is the first time a Casey Cardinia member has won the award. Congratulations to Jacob Bird for being awarded the CC Trainer of the Year.

Special congratulations go to Bernie Carroll for being awarded the Ron Moore Memorial Best Clubman Award. Again this is the first time a Casey Cardinia member has won this award.

I would like to thank all the parents for helping taking their own and other young umpires to the games. We have a very young list of umpires! I also want to thank the MPNFL for supplying a letter that enabled their entry to the grounds.

To the Max Pawsey Reserve Committee of Management (we have two members on that board), thank you for purchasing a refrigerator for storing our first aid equipment.

This year I have had a lot of feedback from our umpires and they are thankful for the services of Ivan Walters (Field Umpires Assistant Coach) and Jeff Parker (Goal Umpiring Coach). Ivan and Jeff were at training on Monday nights and gave valuable feedback from our games, took lectures and provided rule interpretations.

Big thanks to Bernie and Mick Jaremczuk for taking training this year. Our training ground was flooded a few times and they came up with new ideas, activities and games on the spot. To Phil Kerford, even bigger thanks for taking over the boundary umpires' appointments at the start of the year and for assisting with everything from uniform, special nights and the unavailable book.

The Board again has been very helpful to us in many ways and we thank them. I wish all the Board members and running members a safe Christmas and look forward to seeing everyone at pre-season training at Lysterfield Lake in early January 2013.

*Neil Ashworth*

## **Head of Operations Facilities & Licensing: Geoff Shaw**

This year has been one of consolidation. Our "Wall of Fame" portraits were updated and upgraded to make the signature wall a real feature of the Seaford rooms.

Through the provision of a grant from Defibs Saves Lives organisation we were able to make a subsidised purchase a defibrillator from St. Johns Ambulance. We hope that this machine will not be required but it is re-assuring to know that we have this essential piece of equipment readily available if another emergency should arise.

During the year, a number of our ground lighting globes malfunctioned and had to be replaced. This was done at some cost that was fortunately shared by our co-tenants. It appears that the rest of the lights are also reaching the end of their durability and will need to be replaced. This is planned to happen prior to the start of next season.

At the start of the year I outlined our plans to have our Seaford rooms renovated with suitable changing facilities to accommodate our growing number of female running umpires. We are still yet to realise this project. The Project Management provider that we were relying on to undertake the task is no longer available. We have now replaced that team and anticipate the rooms finally being completed before the start of next season. My apologies go to all our patient girls and ladies. The other good news is that we have managed to set aside the majority of required funds in the projected budget for next year.

Meanwhile, some general maintenance and servicing of appliances has been carried out. New shower heads were installed and all the heaters were cleaned and checked.

The Seaford rooms continue to be used by a couple of outside groups and the occasional social function which means that it is a viable asset to our local community.

With our family orientation it is important that we adhere to our liquor licensing obligations. I am pleased that our members and guests have continued to act responsibly and shown moderation in their consumption of alcohol on the premises.

I would like to thank all the Board Members and Coaching Staff for their diligence and application to make the Southern Umpires a professional and forward thinking organisation. I wish all members a safe Christmas and a rewarding 2013 Season.

*Geoff Shaw*

## **Head of Operations HR – OH&S: Mario Ring**

This year has been an outstanding year for the way in which members have reported and looked after their injuries in the correct manner. With members promptly reporting injuries and having them logged, it continues to make it much easier for both committee and coaches to keep track of the progress and recovery of each person. This also helps get members back onto the field as quickly as possible, keeping our numbers strong each week.

Our direct out of pocket expenses this year have reduced dramatically from about \$3500 last year to around \$1000 due to members following the correct procedures. This helps keep our premium down when it is time to renew our policy, which is a large saving to the VSHL-SUA and members.

It is in your best interests, as well as the Associations, if minor injuries and niggles can be minimised. If everyone refers to the Blue book issued every year, there is a section which has many stretching exercises to prevent injuries. These should be done before your game, and also after as a warm down. The more you do, the less chance there is of muscle strains.

The only down side to the year was the serious injury to Neil McKinnon. Neil has had a few operations on his neck and vertebrae to correct the positioning and relieve the pressure. His recovery has been slow and painful, but his spirits are high. He is attending gym on a regular basis to gain full movement again in his neck and back. This will also help him return back to regular full time work with Victorian State Home Loans. We wish Neil the best of luck in his recovery and rehabilitation and if you can make the time a quick call to Neil is always welcome.

On behalf of the Board, I would like to thank everyone for their commitment to ensuring all processes are followed and wish them a safe and healthy 2013 season.

*Mario Ring*

## **Field Umpiring: Peter Marshall**

In review, season 2012 once again proved to be very successful for our group. Our commitment to the MPNFL was excellent and the umpires, members and coaching staff should all be very satisfied with their efforts on and off the ground.

Thank you to Jeff Jones and his executive for their support. As we look forward to next season I encourage some of our younger members to stand up and assist Jeff and his Board in ensuring we maintain our standards and continue to be the leading umpire group in the state, if not Australia.

Our numbers were huge with record appointments and special thanks must go to the coaches David, Jeff and Ivan for the part they played in this achievement. We increased our staff with Travis, Leigh and Brett coming on board to assist Vossy, Neil, Phil and the Old Fossil. The provision of quality coaching and its role in the retention of umpires can never be underestimated. I felt all umpires received consistent feedback and although some people may slip through the cracks, we do our best given the area and number of games we need to cover.

At Seaford, Greg Russo did a wonderful job as fitness guru as did Mike and Bernie at Fountain Gate.

Phil and Matt had a big task with the Juniors and stood up to the challenge, albeit with a shaky start, and will need more assistance from all umpires next year. From all reports, the Junior Finals were incident free and our umpires as a team performed admirably.

Our Senior Finals efforts again contributed to an excellent series with close games which were pretty much trouble free.

I would like to thank the Chattertons, Matt Walker and Rohan David for their assistance over the finals and of course the managers, Trav, Swanny, Neil and Vossy.

From a field umpiring perspective, we had 127 umpires this season with 66 umpiring seniors. Of the 68 umpires who were in finals, 25 tasted senior finals and 23 umpired a final game for the first time with 13 umpires making their debut in a grand final. Within the Senior Finals panel, four people umpired a senior game for the first time and this will hold us in good stead for future years.

Our style of umpiring was easy to follow. The policy of letting them play footy and only paying the major free kicks, whilst ensuring we control the game, was adopted by the majority of umpires.

Our age range has come down slightly and with healthy recruiting, but more importantly by retaining umpires, I would expect us to have an excellent future.

Having said this, many of our stalwarts are ageing and slowing up so I look forward to them taking on a mentoring role with the younger members coming through the ranks and guiding them into senior careers with their wisdom and experience.

With some work to do in the Colts competition, there is plenty of opportunities for younger umpires to come through and become long term VSHL-SUA umpires.

The V Line Academy once again provided a platform for members to umpire interleague, country, metro, schoolboy, TAC, VFL, interstate and national championships.

On behalf of the coaches, I congratulate all umpires, and we had plenty, who undertook the program.

I must also acknowledge all award winners: Best Umpire, Golden Whistle winner, Best First Year and Coaches' Award winners.

In summary, special mention to Kate Rowe in the office who kept me sane during the year and, of course, my assistant Ivan Walters.

The group, although geographically challenging, was easy to coach. Overall we must strive to improve our fitness, decision making and positioning if we are to continue to develop as a group.

In season 2013 all umpires will have to undergo accreditation and I see this as an opportunity for everyone to brush up their skills and education especially in the application of the rules.

We will continue to nominate umpires for higher levels (i.e. VFL) and it was indeed pleasing to see former members umpire VFL finals and continue to come back to Kananook and assist in mentoring our members.

Let us all continue to examine our values, what we what to be known for and how we represent ourselves and our Association.

Have a safe and happy Christmas and New Year.

*Pete Marshall*

## **Boundary Umpiring: David Golby**

This has been my fifth season as the Boundary Umpires Coach for the VSHL-SUA and probably the biggest in terms of numbers. Like many other years we had a large turnover from the previous one and relied heavily on recruitment at the start of the year.

As the emails and inquiries came in, and the replies went out, there was an anxious wait to see who would commit and turn up to training. Surprisingly inquiries to umpire kept coming well into the second half of the season and eventually we had to say the list was full.

This must be a 'first' for an umpiring association and a credit to all the people in our association for doing something unique to be in this situation.

With a list of over 120 umpires we now had the opportunity to run more three umpire games. Excluding finals, we fielded three umpires in nearly 80 home and away games, something we have never had the ability or the numbers to do before. This was a great lead up to the end of the year and the experience prior to finals was noticeable. Positioning was better, changeovers worked well and the workload shared more evenly between the umpires.

Congratulations to all the umpires who ran in Senior Finals right up to the Grand Final, and also to those who participated in the Junior Finals for the MPJFL.

The extra numbers also enabled us to gradually introduce more umpires into senior games. With the additional umpire and a working rotation, the experience of senior football was able to come earlier for some and managed more easily over the two boundary games.

The three umpire system also enabled us to rotate more first year umpires and get them used to the pace of the game. All grades eventually saw three boundary umpires at some stage during the year.

Whilst match appointments can seem easier with more numbers, my thanks go to Phil Kerford who managed the Casey appointments during the year. His feedback to the boundaries and mentoring during the season was invaluable, but appointments need not be complicated if people communicate their availability. Let us get back to basics next year and give more notice when we are not able to umpire. If you are not available it is your responsibility to notify the coaches prior to the appointments being posted on Wednesday night. If you commit to doing the job please do it responsibly.

At training it was also heartening to see numbers improving but there are still those who do not put in an appearance at all during the year. I acknowledge the boundary list includes many junior players who also train twice a week, but a run with the umpires even once a month will not hurt, given we pay a lot more come match day!! Do not ask about senior or finals appointments if you do not train.

Next year it will be a requirement of the AFL to have all running umpires accredited or undertaking Level 1 NUAS umpire accreditation. Take this on board as you will find it extremely difficult to achieve the requirement without putting in the time at training or coaching sessions.

Again we had a healthy representation in the V-Line Umpiring Academy and my thanks go to those umpires who represented the VSHL-SUA and were appointed to games during the year. We have a great talent pool across all of Field, Boundary and Goal and currently have good numbers on the VFL list both in the Development and Senior Panel.

It has been a successful and rewarding year and I wish all of you a safe and Merry Christmas.

I hope in the New Year you find motivated enough to do some pre-season however small or enduring. I look forward to seeing those of you who will take the umpiring challenge again in 2013.

*Dave Golby*

## **Goal Umpiring: Jeff Parker**

It is with pleasure I present my report to the Annual General Meeting for Season 2012.

This season was another successful year for the Goal Umpiring group with 63 umpires officiating in games this year. Of these 57 umpired senior football, some for the first time. Congratulations to all the umpires who were appointed to finals and to the Grand Final Umpires. You all worked hard by putting in on the training track and attending lectures to achieve those appointments.

### **Fountain Gate Training**

At the start of this season it was going to be a challenge to meet and retain the numbers of Goal Umpires to continue to train and support the Boundary and Field umpires who train week in and week out. The support for each other at Fountain Gate is very healthy and this is made possible by the leaders at the venue- Mike, Bernie and Ivan. Special thanks to Dylan, Andrew and Wes for assisting during the year.

### **Seaford Training**

Training at Seaford this year was by far the best attended of any over the previous years. All umpires who attended did so to improve their own performances week. Their application to all sessions, both on the track and inside, resulted in an overall improvement in the group that was very satisfying. The involvement in verbal and visual sessions had the entire group participating and taking in information to better their own game. My thanks go to James Richardson for his leadership in taking these sessions. He made my job on a Wednesday night lighter and allowed me to concentrate on appointments. To those who helped James; Brett, Troy and David, thank you.

### **Umpiring Academy**

The VCCFL umpiring academy continues to be successful and gives umpires the opportunity to umpire at higher levels of football. Congratulations to all umpires selected to umpire at U/18 TAC Cup, Interleague Matches and the National Under 16 Championship. To Emma, Dylan, Josh and Ross congratulations to you all for achieving those appointments this year.

### **AFL Visitation**

Once again we were able to have Dan Wilson attend our training. Dan took approximately 20 Umpires through their paces, which included warm up exercises and drills followed by a question and answer session.

I would like to thank Stephen Voss for the excellent manner in which he continually year in and year out works hard for the group to ensure they get the best out themselves on game day. His experience and knowledge in the goals is invaluable.

To Jim Hamilton, thanks for the many hours you put in during the season to assist Stephen and me. It was greatly appreciated.

Finally, I would like to thank the following for their continued support. Firstly, in Peter Marshall and Dave Golby I think the VSHL-SUA is in great hands when we have the calibre of these two gentlemen at the helm of the umpiring group. I am privileged, and it is a pleasure, to work with them. It is a long season for the coaching staff and you need to have respect for each other to get the job done.

To Kate- it was always wonderful get to Seaford on Wednesday nights to see her smiling face, even when things were not going right for her but a nice bottle of red soothes all.

If we, the Board, Umpires Department and importantly you the umpires, continue to work together, learn together and socialize together we will remain the best umpiring group in all Australia for a very long time.

To Jeff Jones and the Board of Directors- your leadership of the VSHL-SUA, support encouragement and professionalism is outstanding. These qualities, as well as your community awareness in the football arena, enable the VSHL-SUA to continue to grow.

I wish all members a safe and happy festive season and look forward to seeing you all in 2013.

*Jeff Parker*

### **Junior Umpiring: Phil Kloot**

After a very slow start to the season we finally started to make great headway in round 4 as the umpire ratio had increased to a fairly good number. During the year we have had a few problems but we have as a group been able to overcome most of these with minimum fuss and hard work.

The year has been successful in that several of our newer and experienced umpires have taken the next step in becoming better umpires and will have a future in umpiring if they persist. During the year we have had some great individual and team efforts and these were rewarded with a finals appearance for the most reliable and consistent umpires.

Grand final day was terrific as the weather and the large crowd had, what I believe to be, some of the best junior football available. Our umpires on the day performed up to expectations as they were selected for their consistency and decision making. There were no send offs during the finals and this was due to their great efforts.

Finally, I would like to thank Matt Guess for his back up and support even before the season started. He has been a great help. My thanks go to Ray and Paul Chatterton for their help during the finals. It was a terrific effort. I hope we see everybody back next to continue the great work

# Finance Report & Statements

# **VSHL-SUA Financial Report**

## **Head of Operations Finance: Frank Witting**

Another year gone and a new one starts with many firsts for a large number of our members. Congratulations to all umpires who achieved personal bests throughout the season.

I am pleased with the past year's performance of the association and am able to announce a net cash profit on trading operations of \$ 11846 for the year ending 31/10/2012. This is another sound result for the Association which will allow the Board to implement more strategies to grow and develop our Association. Highlights of the year would be the introduction of new partners to the VSHL-SUA that will help us grow and the great family atmosphere around the rooms and at our social functions.

My role ensures a busy time during the season and I would not be as effective without the help from other members during the year. A special thanks go to Robyn and Rachel Young for their help behind the bar and to Ray Chatterton for his tireless efforts in either selling raffle tickets or encouraging others to pitch in and help with the selling of the tickets.

My thanks also go to Jeff and my fellow board members for being proactive in many of the things that we do to benefit the Association throughout the year. To all the coaches, I am sorry to be a pain but thank you for putting up with my continued requests for game data.

To one and all have an enjoyable break and be proud to be known as an umpire of the VSHL-SUA. See you next season.

Frank Witting

Finance Director

# Auditors Report: Tax on Time

## SOUTHERN UMPIRES ASSOCIATION INC

A.B.N. 57 852 366 758

### COMMITTEE'S REPORT

Your committee members submit the financial report of the Southern Umpires Association Inc for the financial year ended 31 October 2012.

# Statement by Members of the Committee

SOUTHERN UMPIRES ASSOCIATION INC

A.B.N. 57 852 366 758

## STATEMENT BY MEMBERS OF THE COMMITTEE

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee the financial statements as set out on pages 1 to 8:

1. Presents a true and fair view of the financial position of Southern Umpires Association Inc as at 31 October 2012 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Southern Umpires Association Inc will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

**President:** \_\_\_\_\_

**Treasurer:** \_\_\_\_\_

**Dated this**            **day of**

# Independent Auditors Report

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF SOUTHERN UMPIRES ASSOCIATION INC  
A.B.N. 57 852 366 758**

**Auditor's Opinion**

In my opinion, the financial report of Southern Umpires Association Inc presents fairly, in all material respects the financial position of Southern Umpires Association Inc as of 31 October 2012 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the Associations Incorporation Act .

**Name of Firm:** Tax On Time

1. Assets allocated to taxation pools are not included in this report.
2. Where a taxation pool is set up refer to the relevant pool schedule report for details of decline in value for the pool.
3. For disposed assets that have non-taxable use refer to Capital Gains Schedule report for any gain or loss resulting from a CGT K7 event.
4. The Opening W.D.V. includes second element of cost (additional expense) incurred in the current year. Hence, this amount may vary from the Closing W.D.V. from the previous year.
5. The Original Cost for Motor Vehicle assets shows an amount as adjusted by the cost limit.
